

FOR DISSEMINATION

Brussels, 28th May 2019

Southern Cameroonians/Ambazonians Stand Ready for Third-Party Mediated Negotiations

Leaders and representatives of all Southern Cameroonian aka Ambazonian liberation movements held sessions in Europe under the theme “Capacity building toward a negotiated settlement”.

- Committing to set aside any and all differences among ourselves and our movements in favor of building and strengthening cohesion, agreeing strategies for a future negotiated settlement rooted in collegial and collaborative action that must always put Southern Cameroons/Ambazonia first;
- Acknowledging the huge needs in speedily building the skills of Southern Cameroonians/Ambazonians for successful negotiations;
- Welcoming calls for an immediate end to the genocidal violence in Southern Cameroons/Ambazonia; and
- Reiterating our commitment to prioritize a lasting solution that is consistent with our constitutionality in Southern Cameroons/Ambazonia.

The liberation movements in attendance viz; AGovC, APERM, APLM, ARCC, Consortium, FSCWO, IG, MoRISC, RoAN, SCNC and SCWM hereby resolve that:

1. Southern Cameroons/Ambazonia liberation movements represented at the capacity building workshop in Brussels declare our readiness to engage with La Republique du Cameroun in third-party mediated negotiations.
2. Acknowledge, with gratitude, the decisions, resolutions and actions already taken or envisaged by international organizations, governments and parliaments around the world, notably in Europe and North America, in support of a negotiated settlement.
3. Welcome, encourage and commend international stakeholders in touch with us, for assuming the respective roles agreed to with Southern Cameroons/Ambazonia

liberation movements during various fora as will be outlined in formal agreements in the foreseeable future.

4. Renew our determination and the determination of the Sovereign People of Southern Cameroons/Ambazonia to resist all forms of colonial domination as well as our eagerness to embrace a just and sustainable solution that must be rooted in international law, United Nations-backed resolutions, the United Nations Charter and the OAU Charter/African Union Constitutive Act.

Done at Brussels, this 28th day of May 2019
